## TERMS & CONDITIONS OF SALE

Payment Terms: Payments strictly before delivery can take place. Ownership of the goods remain vested in Peninsula Safes Direct until the buyer has paid all amounts due and owing, as per quotation, irrespective of whether the goods are installed or positioned. In the event of a safe/door being installed it shall not become a fixture but shall remain movable until paid for.

The above prices will hold for .....7.....days and are in accordance with our Standard Conditions of Sale.

Delivery based on ground floor, easy access and no stairs to point of installation. Delivery upstairs can only be quoted once a site survey has been done. Installation based on installing the safe/door into prepared wall opening with plaster finish. No final painting or any retrofitting has been included in the price. Peninsula Safes Direct will not be held liable for any damages or malfunction if the safe/door were not installed by us or one of our contractors. Should you decide to install the safe/door by yourself the warranty is void.

Please be advised that all new locking systems carry a 6 months guarantee, shelves are not designed to carry heavy weights.

Please be advised that Peninsula Safes Direct will not be held liable for any damages to stairs, tiles, wooden floors or carpets. However, the utmost care will be taken whilst carrying out the delivery.

Should you require any assistance, please do not hesitate to contact Peninsula Safe Direct.

We trust that you will find our proposal competitive and we look forward to hearing from you at your earliest convenience.

Kind Regards  
Team PSD
